

Stand Out at your Trade Shows with StandMe

In Germany's competitive trade show landscape—with 185,000+ exhibitors annually—your stand determines if you're remembered or forgotten. StandMe has created 750+ attention-commanding booths at Germany's top events including Hannover Messe and IFA Berlin. Our 35 experts deliver solutions that boost visitor engagement by 43% compared to standard booths. Options range from our 3x3m EcoFlex modular solution (from €3,550) to custom 500m² premium experiences with digital integration and interactive elements—all with our short setup guarantee and storage options.
